Create a functional doghouse that stands apart from all the rest! Local businesses, organizations and interested groups are invited to construct a dog house using the kit provided and add to the design to create a customized doghouse. The dog houses will be showcased in the Great Dog House Event & Auction to be held September 14th in conjunction with the local Humane Society's PawFest. Proceeds from the Great Dog House Build will support Habitat for Humanity Builds as well as the animals in the care of the Humane Society.

- Teams will not receive their Dog House Package until pledges are received.
